

How do I become an ACTS?

- Register online
- With your registration you are already provided with a range of special services (see ACTS benefits).
- It also enables you to participate in our online destination courses.
- There are 6 regular courses, each takes about 30 minutes.
- At the end of each course there is a short exam.
- Both the courses and the exams are online
- You can take each exam only once, so be sure you read the text during the course properly.
- For each right answer in the exams you will get credit points.
- If you take all 6 courses and reach 75% or more correct answers in all courses you will graduate as an "Austrian Certified Travel Specialist" (ACTS).
- As a graduated ACTS you are entitled to an even greater range of benefits for you and your office.

Your ACTS benefits

Special services for you once you have registered:
